

The Haulfryn Way

Is the park covered by the Mobile Homes Act?

With Haulfryn, you are fully protected by the Mobile Homes Act 1983 and its revisions, giving you security of tenure and resale rights.

How long is your licence for?

As standard, at Haulfryn you can keep your home on the park for as long as you wish (in perpetuity) and you can pass your home to your family or estate.

ncc

Does the park have the necessary accreditations?

To give you confidence on how the park is run, it is crucial that it is a member of BH&HPA and the NCC. If it is, they will have their distinctive logos displayed in their park offices.

Does your home have all the features you want?

All our new homes come fully furnished. We can cater for many requests, from handrails, to private parking, to garages.

Are there any age restrictions?

We have a variety of parks that cater to the over 45s, over 50s, the retired or semi-retired, or family parks (25+ and children) - so for all ages, depending on your needs.

Can you bring your pet with you? Are any parks pet-free?

Haulfryn's parks all have different rules and restrictions on pets, whether you have a furry friend or want a pet-free environment.

Are the local facilities that are important to you close enough?

Our many parks have convenient public transport links or are even within walking distance to doctors, supermarkets, leisure centres and other amenities.

Does your park have on-park management?

The majority of our parks have on-park management five days a week, who are on hand to respond to queries and requests and run our on-park events.
